PRELIMINARY AMENDMENT

Sir:

Prior to examination on the merits, kindly amend the above-identified patent application per the following instructions.

IN THE SPECIFICATION

At page one after the title and before the first line of text, please insert:

--This patent application claims the benefit of priority under 35 U.S.C. § 119(e) of United States Provisional Patent Application No. 60/225,193, filed August 14, 2000. U.S. Provisional Patent Application No. 60/225,193 is incorporated by reference in its entirety.—

This amendment is simply a claim for priority, and therefore no new material has been added to the application.

Kindly consider this preliminary amendment and enter it into the record of this application. Applicant's undersigned attorney may be reached at (314) 552-6443. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
